

Deepanshu Nagar

👤 Profile

Motivated Computer Science student at Krishna Engineering College with a strong foundation in C and Data Structures & Algorithms. Developed a Tic-Tac-Toe web-based game and actively working on strengthening problem-solving skills. Seeking an internship to gain hands-on industry experience and apply technical knowledge in a real-world setting.

🎓 Education

B.Tech (Computer Science), Krishna Engineering College, Ghaziabad

September 2021 — September 2025

Relevant Coursework: Data Structures and Algorithms, Database Management Systems, Operating Systems, Object-Oriented Programming in Java

(CBSE), P.N.N. Mohan Public School, Ghaziabad

June 2017 — July 2021

Science Stream (PCM)

★ Skills

Technical Skills

- **Programming Language:** C
- **Programming Language:** Java
- **Core Computer Science Concepts:** Data Structures and Algorithms
Object-Oriented Programming
Operating Systems

Soft Skills

- **Communication:** Can explain technical concepts clearly.
- **Teamwork:** Experience collaborating on projects.
- **Problem-Solving:** Strong analytical and debugging skills.
- **Time Management:** Balances coursework and projects effectively.
- **Adaptability:** Quickly learns and applies new concepts.

🔧 Projects

Tic-Tac-Toe Game Web Application

Developed a Tic-Tac-Toe game using JavaScript, HTML, and CSS.

Implemented the game's logic and user interface, improving understanding of web development concepts.
